

Fire Screens

ecosmart⁺
Fire

EcoSmart Glass Fire Screens help to minimise the impact of wind on the flame and reduce fuel consumption.

Design Features

Elevate aesthetics & safety

Upgrade your fireplace with a premium glass screen that beautifully marries style with practicality. Expertly crafted from the finest glass, this sleek, modern screen seamlessly integrates with your fire feature, ensuring the flame remains stable while optimising performance and safety.

Moreover, it provides an additional layer of safety as a sturdy barrier. The outcome is a fireplace that not only looks beautifully polished but also functions with seamless efficiency.

Crystal-clear visibility

With ultra-low iron content, offering an unobstructed view of the flame that enhances the elegance and ambiance of high-end fire table settings.

Tempered for safety

This toughened glass is impact-resistant and designed to shatter into small, blunt fragments for maximum user protection in luxury outdoor environments.

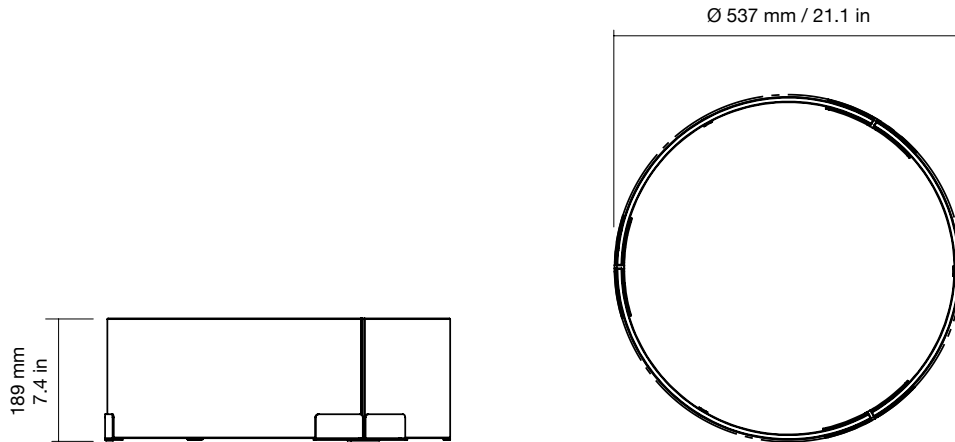

Refined edge detailing

Superior clarity blend seamlessly with EcoSmart's minimalist fire table designs, elevating visual appeal without compromising functionality or safety.
